FIG. 1

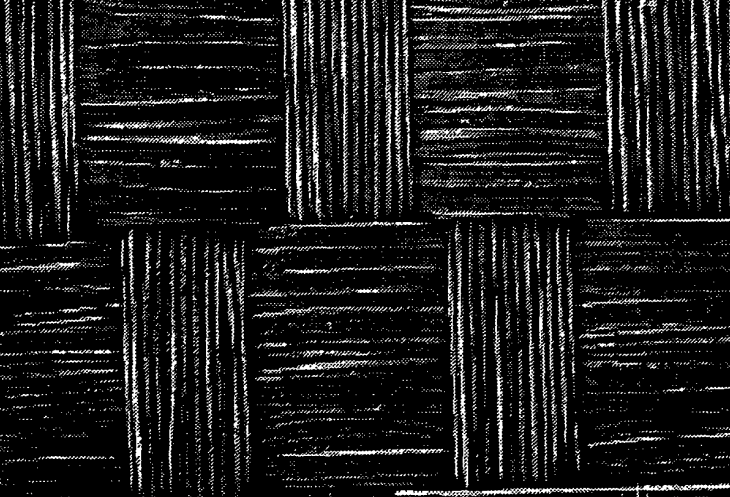

FIG. 2

X100 001 15KV 500MM

A schematic diagram of a cross-section of a multi-layered material. The diagram shows several rectangular layers of varying thicknesses and widths. Dimensions are indicated by double-headed arrows: 'A' is the width of a central vertical layer, 'B' is the total width of the central section, 'C' is the thickness of a thin layer on the right, and 'D' is the total thickness of the rightmost section. Labels '2' and '3' with leader lines point to specific layers within the structure.
